WELCOME TO THE  
COLUMBIA MEMORIAL SPACE CENTER

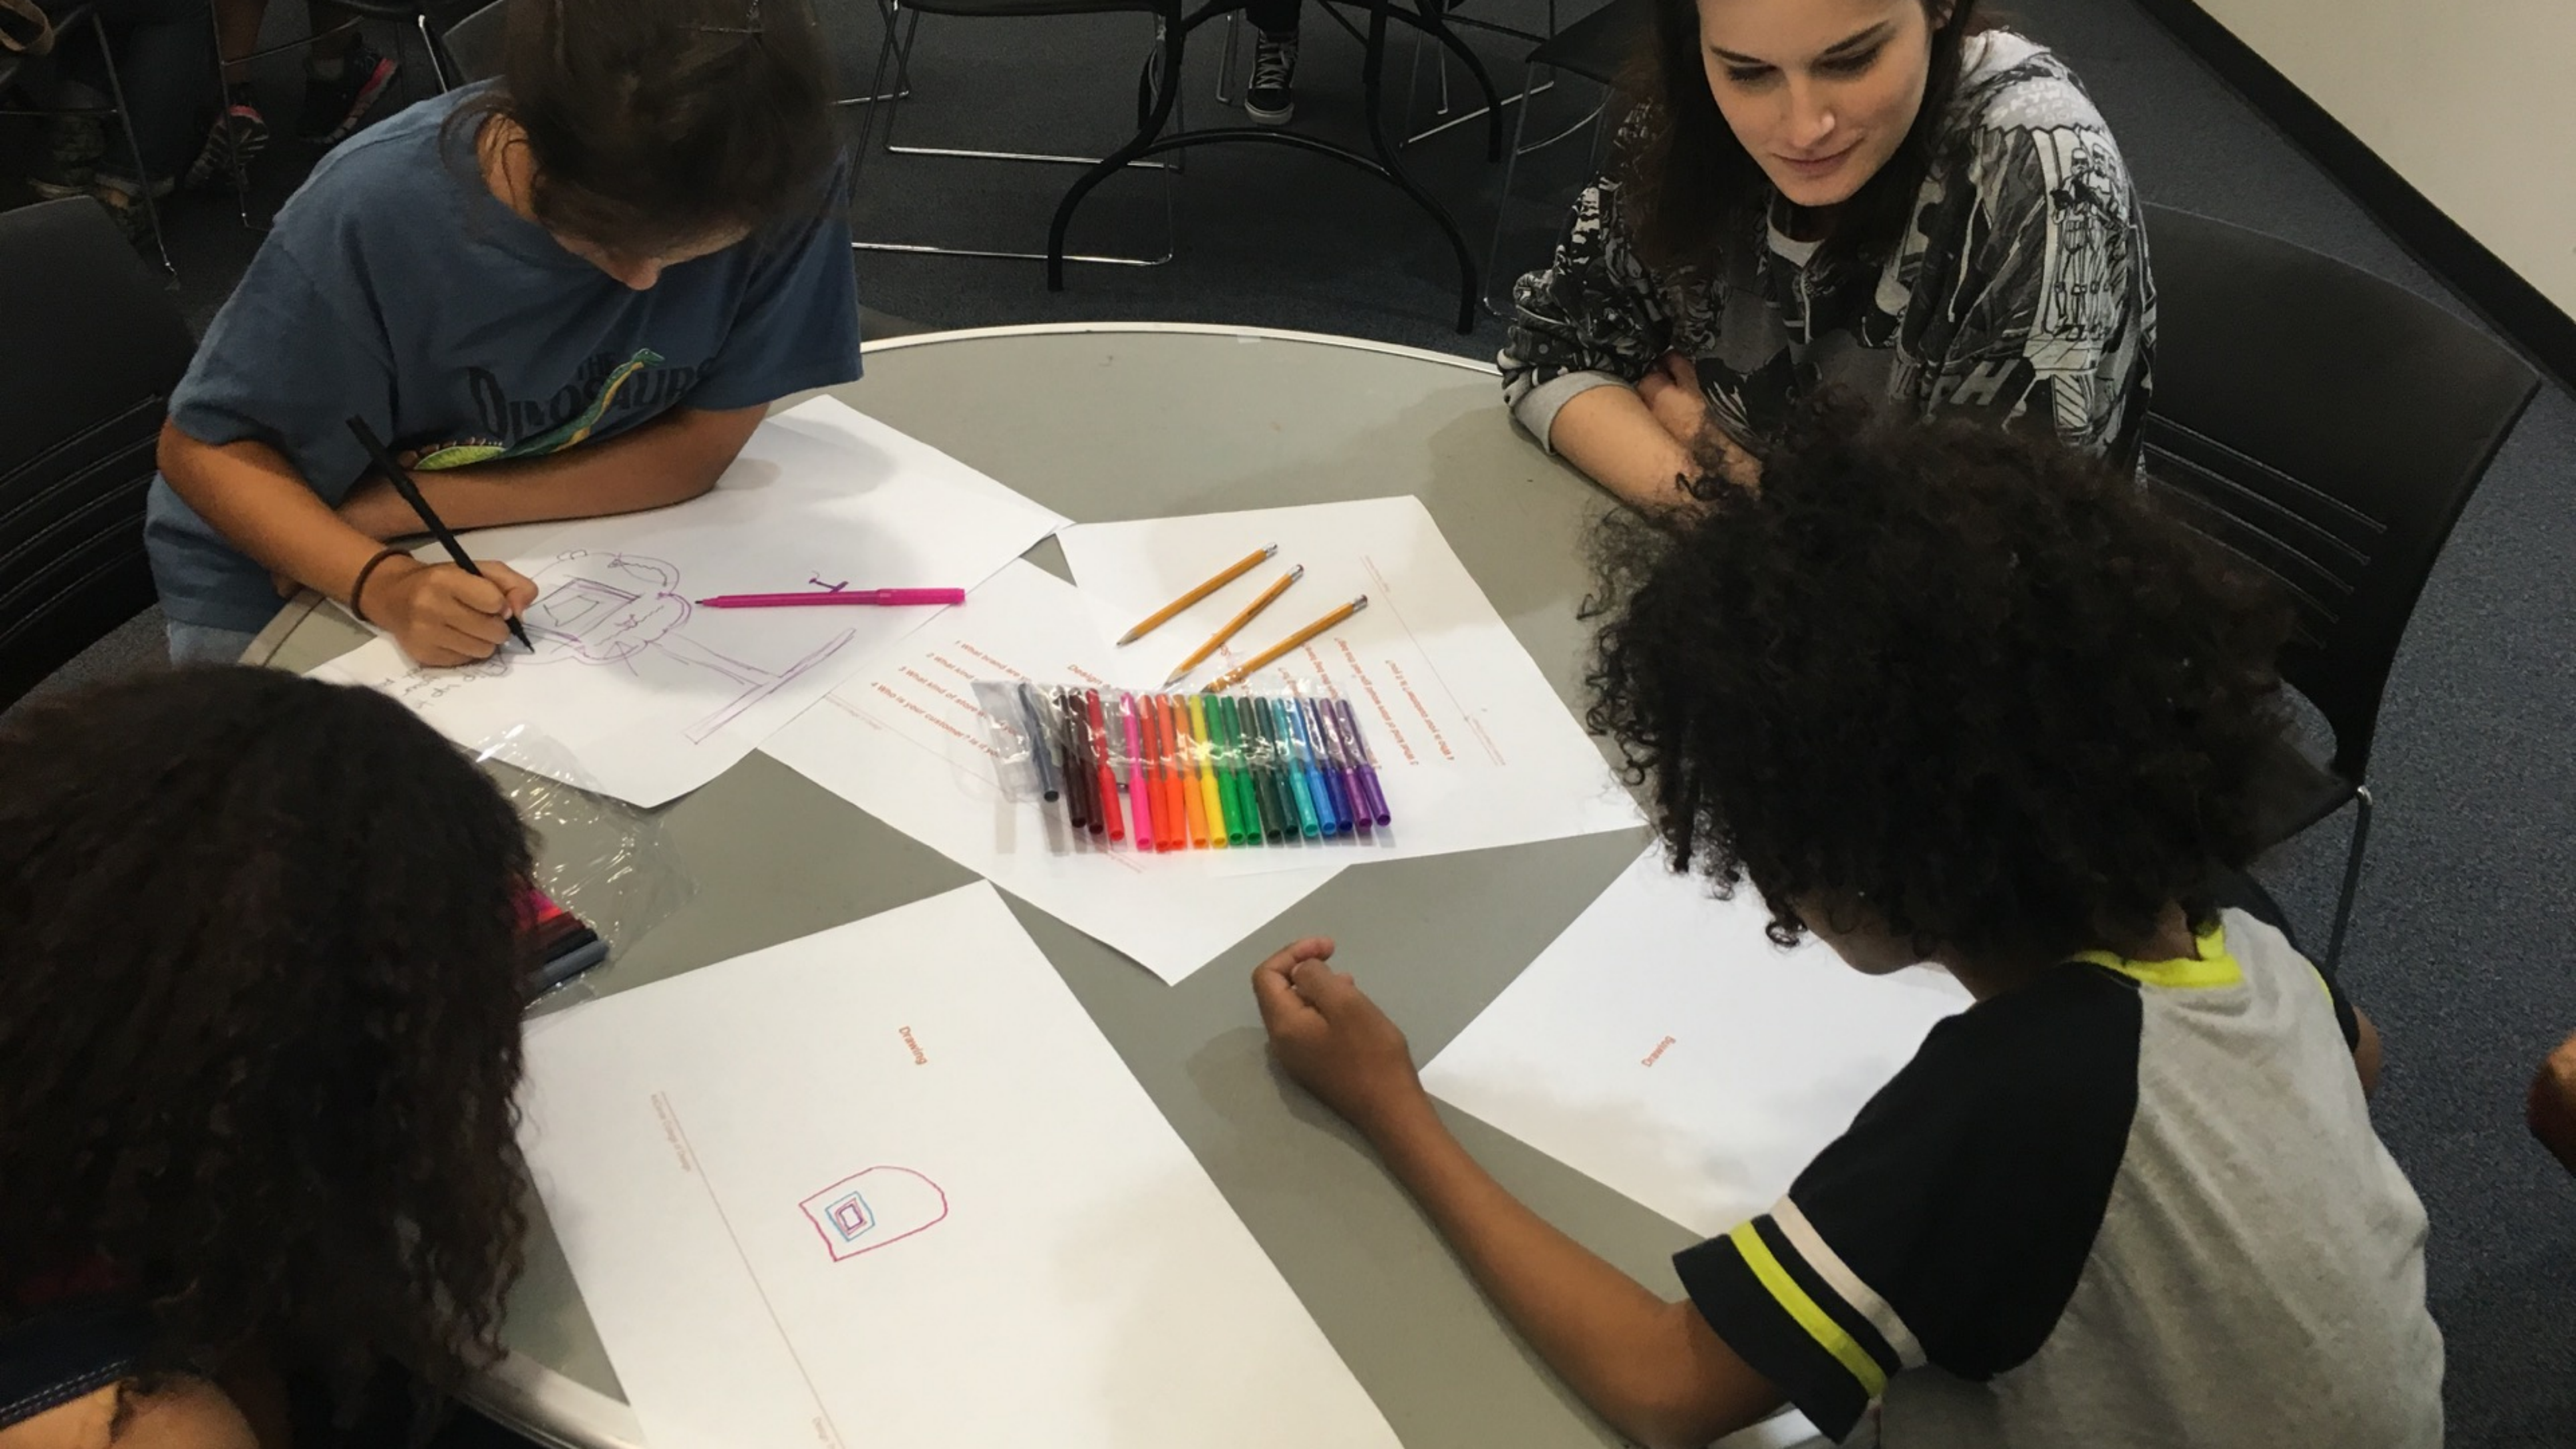

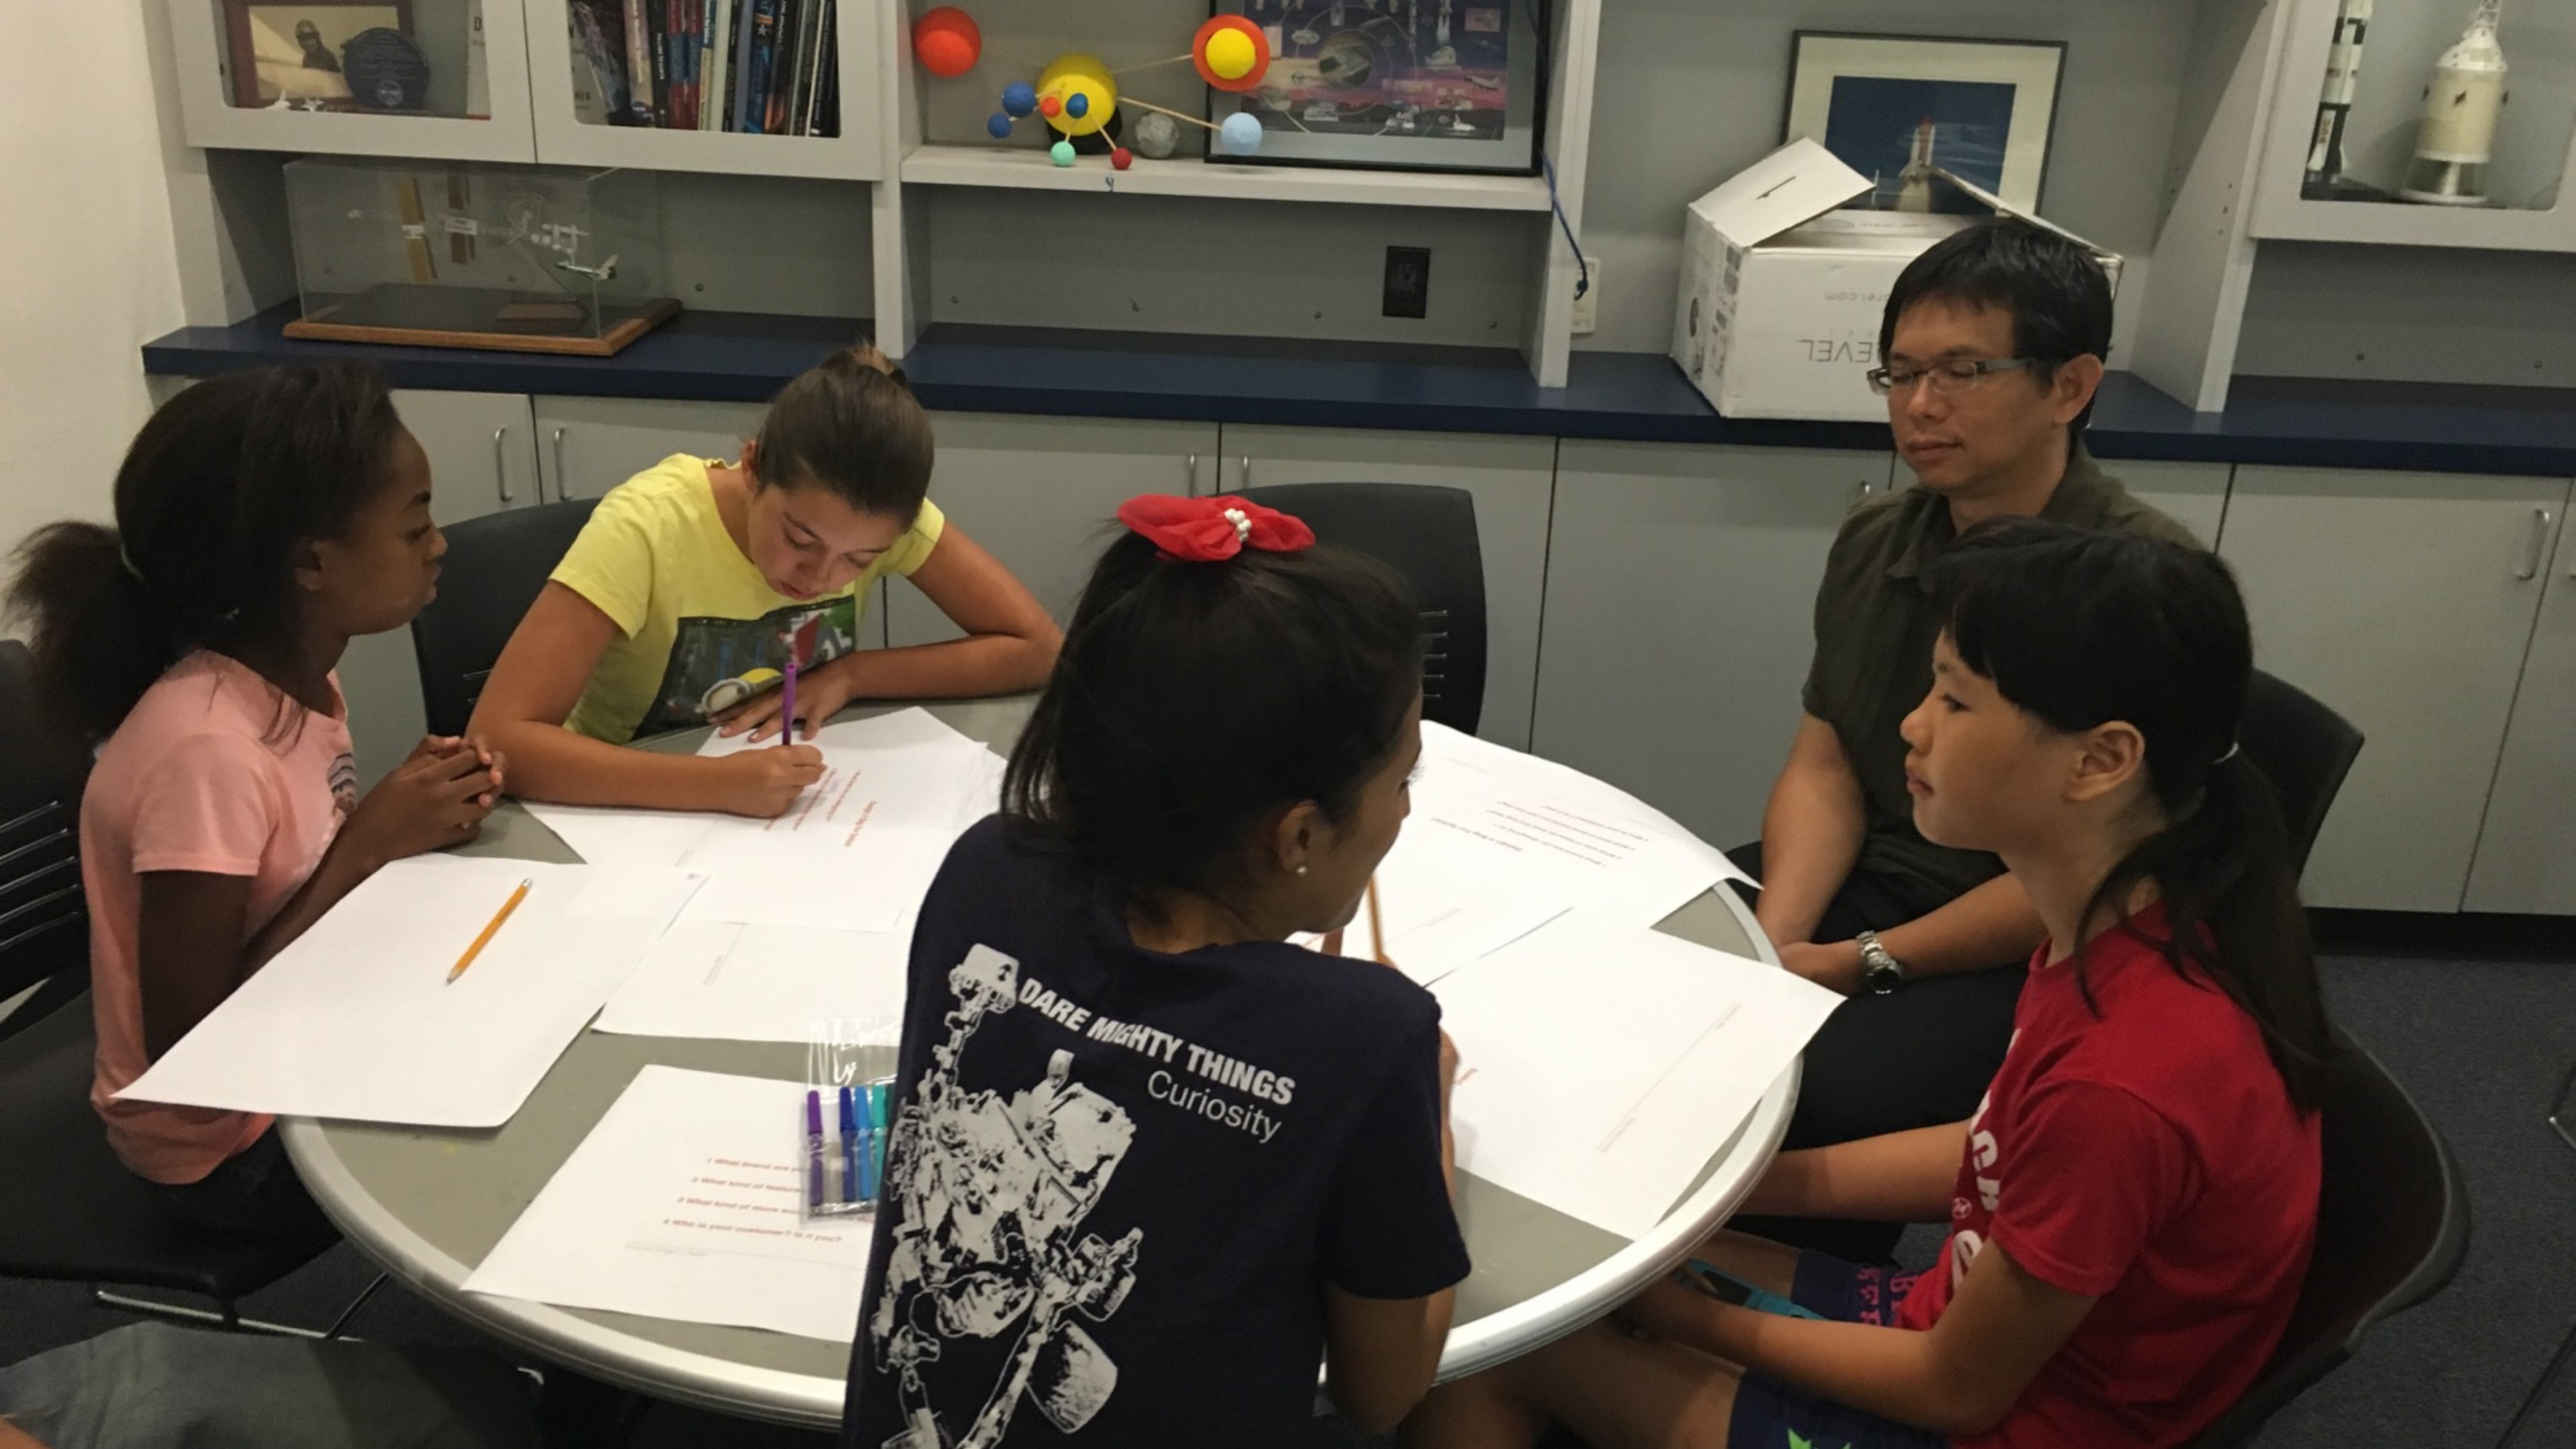

Students are drawing a landscape scene on a piece of paper. The drawing shows a horizon line with a wavy pattern below it, possibly representing water or a field. The student is using a purple marker to draw the wavy pattern.

The adult is leaning over the table, pointing at the drawing with her right hand. She is wearing a grey t-shirt and a red lanyard. She appears to be providing instructions or feedback to the student.

The student in the foreground is wearing a purple t-shirt with the text "SAN ABRA" and "SANTACRUZ" visible. She is using a blue marker to draw a green shape on a piece of paper. The paper has some faint lines and a small green shape already drawn.

Other students are visible in the background, working at separate tables. One student is wearing a blue t-shirt and is focused on drawing. Another student is wearing a white t-shirt with black polka dots. The classroom environment is busy with students engaged in their work.
